## Food History Questionnaire

The following questions and answers are designed to help me evaluate your eating habits and make dietary recommendations that will be tailored to you or your medical problem. At your appointment, I will go into more detail as it applies to you. Please bring this form, completed, to the appointment.

Please feel free to bring your spouse, good friend, relative or anyone who is involved with cooking and eating with you.

Thank you-Ann M. Del Tredici, MS, RD, CDE
